Dear Parents and Carers,

Welcome back to West Thornton and into Spring Term 2. We are writing to share with you some key dates for this half term where we will be hosting a range of Parental Engagement Sessions. These sessions will support you to support your children at home, as well as provide you opportunities to share learning with your children in school.

Please be reminded that we would love to welcome all parents to the sessions, regardless of which site they are being held. We will be sending out text reminders before each of these sessions.

For the Year 6 SATs workshops, we want to invite both you - and your children - to attend as there will be opportunities for you to work through some SATs practice papers together.
